Unfortunately, there may be a time when you come across a profile of a deceased colleague, classmate, or connection. If this occurs, you can notify Customer Service that the profile still exists and may need to be removed. To close the account of a deceased LinkedIn member you'll need to submit a Verification of Death form.

1. Click on the "Verification of Death Form" located in the File Attachments section below.
2. Complete the form and save it to your desktop.
3. Take only one of the following actions to submit your form:
 - [Send the form online](#) by attaching it to a Help Center submission.
 - Send the form to the fax number provided in the form.

Note: This form requires an email address registered to the deceased member's account. Without this important piece of information, we will not be able to address your request.
